

# Non-WNHS/external staff Moodle instructions

All WNHS eLearning packages including the breastfeeding packages are now located within the NMHS Moodle site.

## How to access the packages

**Non-WNHS/external staff** can access the package using guest access with a provided password. Navigate to eLearning via the WNHS Learning Hub link.

The screenshot shows the Moodle website interface. At the top, there is a navigation bar with 'NMHS', 'My dashboard', and 'Courses'. A search icon is on the right. Below the navigation bar is a large banner image with the text 'Welcome to North Metropolitan Health Service'. Underneath the banner is a 'Welcome' section with a sub-header 'Welcome' and a paragraph: 'Welcome to North Metropolitan Health Service's Learning Management System (LMS) Moodle'. The next section is 'Moodle Support', which contains instructions for employees and external staff. It includes a sub-section 'Accessing Courses' and 'Moodle Support' with contact information for 'Women and Newborn Health Services support' and 'SCGH Centre for Nursing Education (SCGH MARS support)'. Below this are links to 'NMHS Moodle User - Quick Reference Guide', 'NMHS Moodle User Tour - The Home Screen', 'User Standards and Policies', and 'Resources for Participants'. The 'Learning Hubs' section at the bottom features a row of five thumbnail images. The second thumbnail, labeled 'WNHS', is circled in yellow. The other thumbnails are labeled 'PGME SCGH', 'CNE', and 'D'.

The screenshot shows the Moodle course page for the Women and Newborn Health Service (WNHS) eLearning site. The page has a red header with the Government of Western Australia logo and navigation links. A search bar is in the top right. The main content area is titled 'Women and Newborn Health Service (WNHS) eLearning site' and includes a photo of King Edward Memorial Hospital. Below the photo, there are instructions for accessing the eLearning site, including a link to 'Printable instructions'. A dark blue box with a mouse cursor icon and the text 'Access the required section/course below' has a downward arrow pointing to a list of course categories. The list includes 'WNHS eLearning', 'DNAMER, King Edward Memorial Hospital', and 'Postgraduate Medical Education, King Edward Memorial Hospital'. Below these are sections for 'Warden theory training' and 'SARC - Educational Sessions', each with a red 'Click to enter this course' button. On the right side, there is a sidebar with sections for 'Other WNHS courses/study days', 'General information', and a 'Disclaimer'. A copyright notice is at the bottom left.

Alphabetical links

## Guest access

1. Non-WNHS/external staff can access the eLearning packages by using guest access with a password. It is recommended that you copy and paste the password into the text box.

The screenshot shows the 'Enrolment options' page for 'Adult Basic Life Support'. It includes a search bar, a 'Guest password' field with a callout box pointing to it labeled 'Guest password for the package', a 'WNHS/KEMH self enrolment' section with a red 'X' and a 'Continue' button, and a 'Guest access' section with a green checkmark, a password input field, and a 'Submit' button with a callout box labeled 'Submit to enter the package page'.

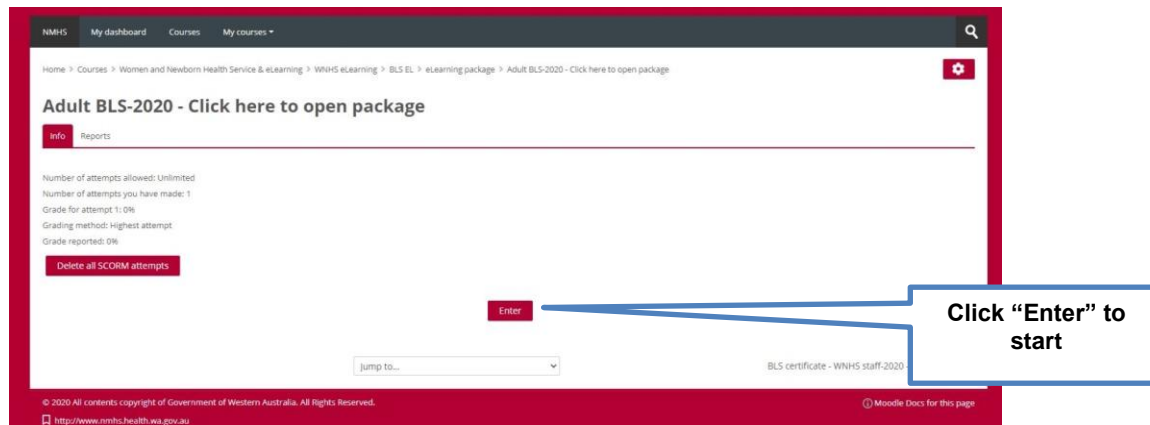

## Navigating the eLearning package page

The screenshot shows the 'Adult basic life support eLearning package' page. It includes a breadcrumb trail, a 'WHNS staff must log in.' warning, a table with columns 'REQUIREMENT', 'TIME', and 'FREQUENCY', and a list of 'eLearning package' items. Callout boxes point to 'Package details' (table), 'eLearning package link' (package item), and 'Certificate - WMHS staff only.' (certificate item).

REQUIREMENT	TIME	FREQUENCY
Nurses, midwives and medical staff	1 hour	Yearly

2. Non-WNHS/external staff access to the evaluation and certificate is available within the eLearning package itself.

## Navigating from the eLearning package link

The screenshot shows a Moodle course page for 'Adult BLS-2020'. The breadcrumb trail is: Home > Courses > Women and Newborn Health Service & eLearning > WNHS eLearning > BLS EL > eLearning package > Adult BLS-2020 - Click here to open package. The page title is 'Adult BLS-2020 - Click here to open package'. Below the title, there are tabs for 'Info' and 'Reports'. The 'Info' tab is active, showing course details: 'Number of attempts allowed: Unlimited', 'Number of attempts you have made: 1', 'Grade for attempt 1: 0%', 'Grading method: Highest attempt', and 'Grade reported: 0%'. There is a red button labeled 'Delete all SCORM attempts'. At the bottom of the page, there is a red 'Enter' button. A blue callout box with a white background and a blue border points to the 'Enter' button, containing the text 'Click "Enter" to start'. The footer of the page includes copyright information: '© 2020 All contents copyright of Government of Western Australia. All Rights Reserved.' and the URL 'http://www.nmhs.health.wa.gov.au'. There is also a 'Moodle Docs for this page' link.
